HACKMERIDIAN 2026 · STELLAR · LISBON

BookerBob.

Google for agentic commerce.

Agents will decide where you stay, eat and shop.

Whoever ranks for the agent wins.

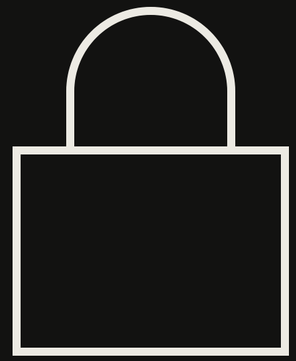

What agents rank on today:

Real signal is fake, or locked.

fake: anyone can buy it

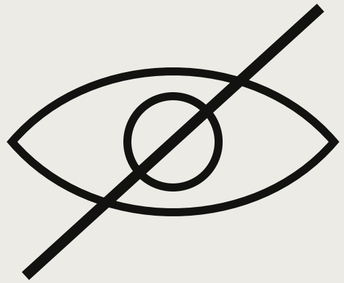

locked in your accounts

your agent

carries the proofs

An agent shops a real Shopify store.

store offers perks · proofs bind the payer

2 proofs · 15% off · verified on Stellar

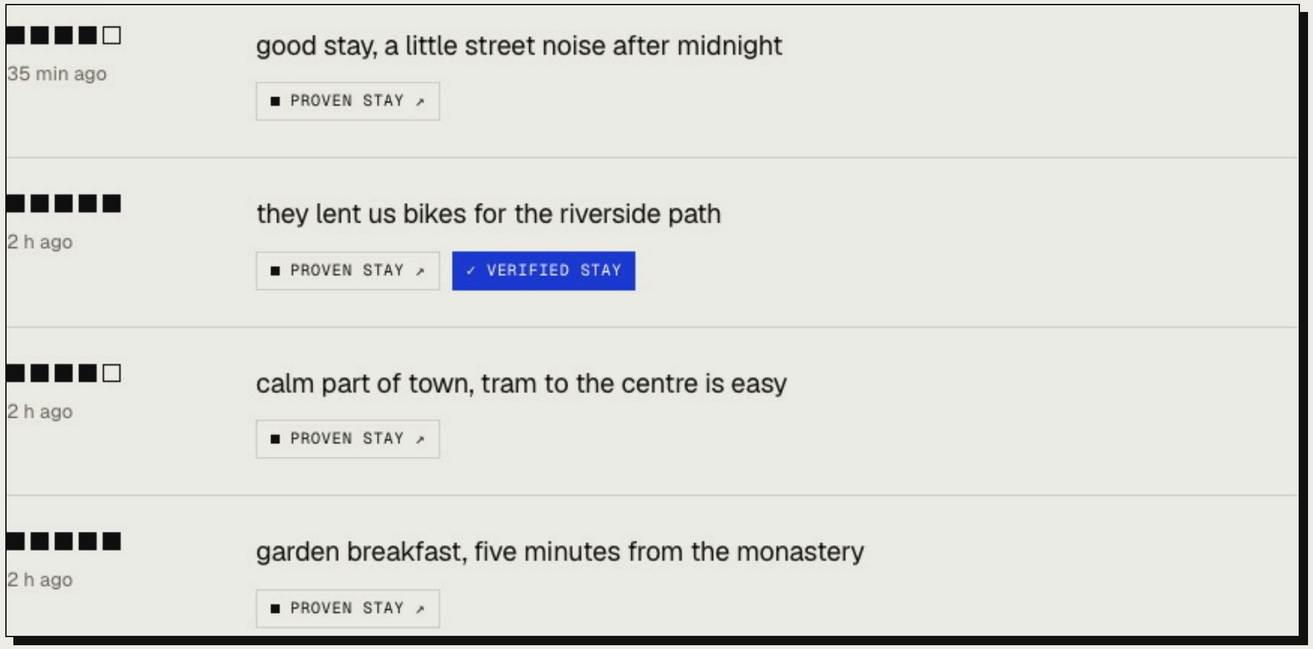

code applied by the store · -22.50 AED

paid 34.68 USDC on Stellar · order #1012

Agents rank on proofs, and add new ones every time they buy. The store never learns who bought.

One stay, one review.

The same proof. The author stays anonymous.

One journey, on chain.
