HACKMERIDIAN 2026 · STELLAR · LISBON

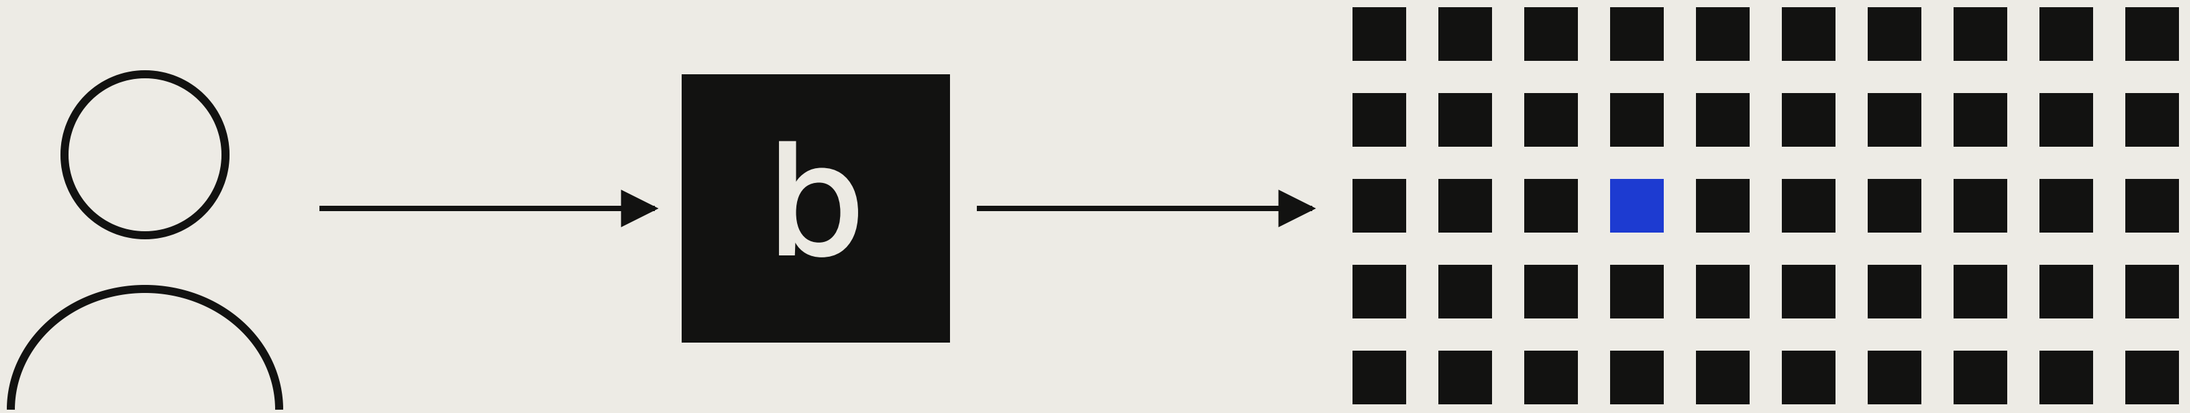

BookerBob.

Google for agentic commerce.

applied zero-knowledge for agentic commerce

Agents will decide where you stay, eat and shop.

Applied zero-knowledge.

the fact is proven. the identity is not.

1 Semaphore v4 Groth16 proofs, made in your browser in ~0.3 s

2 verified natively on Stellar (BN254, Poseidon)

3 one proof, one use (nullifiers)

Whoever ranks for the agent wins.

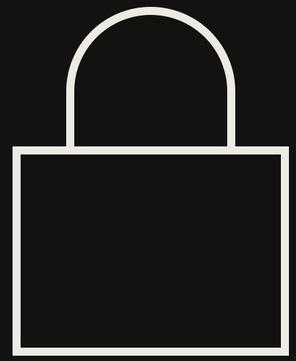

What agents rank on today:

Real signal is fake, or locked.

fake: anyone can buy it

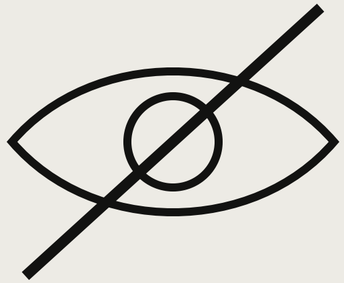

locked in your accounts

or it costs your privacy

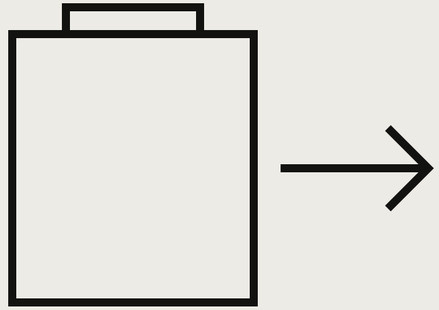

Proof of real behavior.
